

The "BEZDREV WATERMAN"

MEETING OF RC SEAPLANE FANS

ČESKÉ BUDĚJOVICE, THE BEZDREV POND

18 - 24 May 2024

Organized by RC klub České Budějovice, František Frána, e-mail: f.frana@tiscali.cz.

MEETING SCHEDULE

18 to 24 May

Recreational stay in a campsite with the possibility of flying on the water with seaplanes complying with FAI general rules. Maximum flight weight of the model must not exceed 25 kg. Modelers are obliged to respect other camp visitors and fishermen fishing on the pond. When flying, care must be taken to ensure maximum safety and ecology (noise, water pollution and pollution of the pond shore). Flying is at your own risk. The pilots must agree among themselves on the order of the flights. The organiser is not responsible for any damages. Each pilot is obliged to have valid insurance policy for damages caused by the model.

24.5. 19.00 -24.00 beach party with a keg of beer and own refreshments

ACCOMMODATION:

<http://www.campbezdrev.cz> in your own facilities or in cabins.

Reservation possible: tel. +420 775 113 032, +420 775 113 036 or by E-mail: campingbezdrev@h-r.cz
